

# WITH THE INVISIBLE ALIGNER...

...YOU CAN SMILE ALL THROUGH THE TREATMENT

The new invisible aligner

**Easy • Comfortable • Invisible**

## ALL IN is a new invisible aligner to treat your patients with a removable appliance that's virtually undetectable when worn

### FEATURES

- COMPLETELY CLEAR, VIRTUALLY INVISIBLE
- REMOVABLE, ALLOWS TO MAINTAIN GOOD ORAL HYGIENE
- EASY TO USE
- COMFORTABLE WEARING, NO GUM IRRITATION

### BEFORE

### AFTER

*Clinical case courtesy Dr. Daniele Francioli*

### TYPE OF TREATMENT

TREATMENT	CHARACTERISTICS
ALL IN – COMPLETE*	full arch treatment
ALL IN - FROM CANINE TO CANINE	max 16 aligners
ALL IN – EASY	max 10 aligners

\*For the Complete treatment, we deliver the aligners in two steps with no additional cost for corrections

With the **Check Line 3D** animation you can show to the patient the teeth movement from the beginning of the treatment till the final result. If at the end of the treatment a correction is necessary, 2 additional corrective aligners will be provided with no costs if requested within 60 days
